DC.TTSY.TTS2.SPEC -- 03 -- TankTest sensor type TTS2 technical specifications

01	JPE 2015/03/27	Original version	AD
Ver.	Author	Nature of modification	Approved

Sensor type	Sensors type TTS2 for underground storage tank testing. Compatible with SDT270TT only
Transducer type	Ultrasonic ceramic transducer
Sensor housing	Anodized aluminum
Transducer gasket	Fluorosilicone
Cable protection	Viton
Cable length	About 5 meters
Connector	LEMO 7 pins
Fittings	1 camlock 2" for mechanical bush connection, 1 camlock 1" for suction pipe connection, 2 cable glands for sensor height adjustment
Atex certification	Ex II 1 G Ex ia IIC T6 Ga
