Ultranalysis installation

Content <u>System requirements</u> <u>Installation from the CD-Rom</u> <u>Online installation</u> <u>Extract Base Setup</u> <u>Run Base Setup</u> <u>Net Framework</u> <u>Crystal Report</u> <u>PostGreSQL</u> <u>Ultranalysis Suite™</u>

System requirements

- Windows XP, Vista or Seven operating systems.
- 1 gigahertz (GHz) or faster processor.
- 280 MB available hard disk space
- USB 1.1 or higher port.
- Sound card and audio output (Dynamic version only).

Installation from the CD-Rom

Insert the CD-Rom delivered with your equipment inside your reader. Select first the desired language. Then from the main page, select *Ultranalysis Suite Software*.

Please turn to the section Run Base Setup to continue the installation.

Online installation

Visit our ftp site at the address <u>ftp://ftp.sdt.be/pub/Software/Ultranalysis Suite</u>. Download the file **UAS Base Setup v1198 - Extractor.exe**. Please note than the version number can be higher.

Extract Base Setup

Double click on the file "*UAS Base Setup – Extractor.exe*" to start the extraction of all setup files. You should see this window:

By default all files will be extracted at the same location as "**UAS Base Setup – Extractor.exe**" file; if you wish you may specify another location at your convenience.

Click the "Extract" button to start the extraction.

7-Zip self-extra	cting archive	
Extract to:		
C:\Download\		
	Extract	Cancel
	Extract	Cancel

The progress bar will show you the extraction progress, please wait until it's finished.

99% Extracting	
	Cancel

When the extraction is finished, you should see (in the folder location you have specified) the same new files as shown on the following screen shot:

		Install > Cancel

Read license terms and if you agree, select "I have read and accept the terms of the License Agreement".

Click the "Install" button to continue.

Depending on your computer's performance, it could take few minutes.

Wait until it's finished.

When .NET Framework installation is finished, you should see the following window:

Depending on your operating system, you may be asked to restart your system, if so, please do. Wait for your system to fully restart. Then double left-click the file "*Ultranalysis Suite Base Setup.exe*" to continue the installation.

Click the "*Exit*" button to finish .NET Framework installation and continue with the next step of our Base Setup.

Crystal Report

If the Base Setup needed to install Crystal Reports, you should see the following window. If not turn to the section <u>PostGreSql</u>.

Depending on your system performance it could take a few minutes.

PostGreSQL

If the Base Setup needed to install PostGreSQL database, you should see the following window. If not turn to the section <u>Ultranalysis installation</u>.

Select "Express setup" (this is the recommended default choice) and click the "*Next*" button to continue.

Setup - PostgreSQL Win32 8.3 Server	
License Agreement Please read the following important information before continuing.	R
Please read the following License Agreement. You must accept the terms of this agreement before continuing with the installation.
